ASSIGNMENT-3

1. write a query to count the trainers available for DotNet Track

```
SELECT count(*) FROM Trainers_info WHERE Trainer_Track="DOTNET" SELECT
count(Trainers_Info) FROM Trainers_Info;
```

2. Calculate the average experience of all the Java Trainers.

```
SELECT * FROM Trainers_Info WHERE Trainer_Track="JAVA" SELECT
avg(Trainers_Experiance)  FROM Trainers_Info;
```

3.) select the module_id which is having minimum module_duration.

```
SELECT Module_Id FROM Module_Info
SELECT min(Module_Duration) FROM Module_Info;
```

4.) Select the Trainer with max and Min experience from each Track.

```
SELECT Trainer_Name FROM Trainers_Info
SELECT max(Trainer_Experiance) and min(Trainer_Experiance);
```
